Overview

- Provide an update on the NSF project
- Discuss the infant, child, adolescent & youth key themes
- Consider implementation of the specifications in the sector
- Workshop four themes by defining, describing, & considering action

Consultative & Collaborative Processes

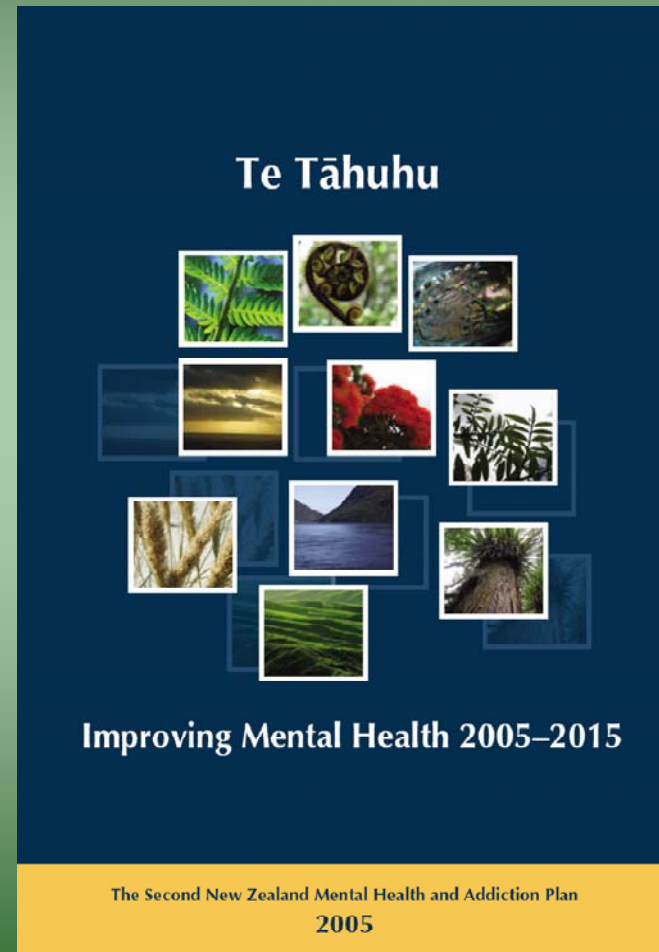

Infant, Child, Adolescent & Youth

- The NSF project commenced in May 07
- Development for this grouping commenced in Feb 08
- Draft 6 of tier 1,2 &3 were widely circulated for feedback in Sept 08
- Feedback log recorded stakeholder responses
- Draft 8 progressing through sign off processes

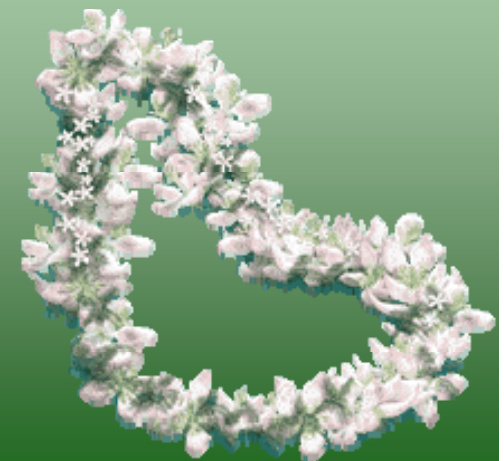

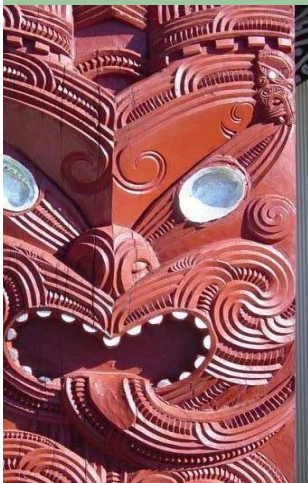

The Strategies

- Te Tahuhu (2005)
- Te Kokiri (2006)
- Te Raukura (2007)
- Te Puawaiwhero (2008)

Themes

- Family inclusiveness
- Flexible & connected
- Accessible & mobile
- Responsive

Define

What exactly does this mean in the context of Infant, Child, Adolescent & Youth?

Describe

- What will this look like in your service?
- What will this look like in other services that you work with?

What needs to happen?

- What actions are required to bring about these changes?
- Action by Ministry of Health?
- Action by DHB Funding Arm?
- Action by Providers? DHB & NGO?

Next steps

- Implementation planning is underway
- Your efforts today will inform the processes
- New specifications expected to be available- 1 July 09
- Transition process 2-3 years

Thank you

- Thanks very much for your interest and support with this project
- Your feedback is appreciated
