

# Young People and Sexual Violence

Do you feel safe and confident dealing with issues of sexual violence with young people?

**1 in 4 Females  
1 in 8 Males**  
are likely to experience sexual violence in their lifetime.

Sexual violence is taking a huge toll on the wellbeing of young people in New Zealand. This workshop is for any person who works with young people and wants to feel more confident and comfortable with dealing with issues of sexual violence.

## In this one day interactive workshop you will learn about:

- The prevalence, dynamics and effects of sexual violence on young people
- The legal aspects of sexual violence
- How to deal with disclosures of sexual violence
- How to approach issues around sexual violence safely and effectively with young people
- What you can do in your work to promote sexual respect and prevent sexual violence with young people
- Cultural implications when working with Maori young people
- Services available to support young people and how best to access them

**ONLY \$195 + GST**

**Places are limited, so BOOK NOW!**
